[Verse 1]

I unsubscribe, I unsubscribe
This ain't no way of life, I don't believe the hype
She unsubscribes, she unsubscribes
She says "There's diamonds in your eyes"
High on her own supply
She says "The air we're breathin' is from an exhaust pipe
Just a prototype"

[Verse 2]

Midway through life (Unsubscribe)
Virgil said let's take a ride (Unsubscribe)
You'll need a divine guide (Ain't no way of life)
'Cause this inferno's hyperdrive (Don't believe the hype)
And the dreams in your head the algorithm prescribed
Do you feel alright?

[Verse 3]

Your heroes are selling you underwear
And little white pills for your despair
Little black space between the stars
Dream of crashing expensive cars
One Christ child and one on the way
Why don't we name her Sagittarius A*
What a pretty name

[Verse 4]

We unsubscribe (Unsubscribe)
Fuck season five (Unsubscribe)and anyway
The clothes don't fit me right (Ain't no way of life)
Must be the wrong body type (Don't believe the hype)

C **E** **Am**
And the space where they say heaven is has gone away

You called me again, drunk in your Benz
Drivin' home under the influence
You scared me to death but I'm wastin' my breath

'Cause I'd never treat me this shitty
You made me hate this city

[Bridge]

And I don't talk shit about you on the internet
Never told anyone anything bad
'Cause that shit's embarrassing, you were my everything
And all that you did was make me fuckin' sad
So don't waste the time I don't have
And don't try to make me feel bad
I could talk about every time that you showed up on time
But I'd have an empty line 'cause you never did
Never paid any mind to my mother or friends, so I
Shut them all out for you 'cause I was a kid

[Outro]

You ruined everything good
Always said you were misunderstood

A **G#m**
Katie's been gone since the spring time;
F#m **B7**
She wrote one time'n sent her love
A **G#m**
Katie's been gone for such a long time now.
F#m **B7**
I wonder what kind of love she's thinkin' of.
A
Dear Katie,
E
If you can hear me,
A **E**
I can't wait to have ya near me.
A
Oh, Katie, since ya
E
caught that bus,
A **Bm** **C#m**
Well, I just don't know how things are with us.
D **E7**
I'm still here and you're out there.
A **G#m**
Katie laughed when I said I was lonely.
F#m **B7**
She said, There's no need t'feel that way.
A **G#m**
Katie said that I was her only one,
F#m **B7**
But then I wonder why she didn't wanna stay.
A
Dear Katie,
E
if I'm the only one,
A **E**
How much longer will you be gone?
A **Bm** **C#m**
Oh, Katie, won't ya tell me straight:
F#m **B7**
How much longer do I have to wait?

D
I'll believe you,
E7
But please come through.
C **F** **Dm** **G**
I know it's wrong to be apart this long;
F **Bb** **D** **E**
You should be here, near me.
A **G#m**
F#m **B**
Katie's been gone and now her face is slowly fading
from my mind.
A **G#m**
F#m **B**
She's gone to find some newer places, left the old
life far behind.
A **E**
Dear Katie, don't ya miss your home?
A **E**
I don't see why you had to roam.
A **Bm** **C#m**
Dear Katie, since you've been away
F#m **B7**
I lose a little something every day
D **E**
I need you here, but you're still out there.
A **E**
Dear Katie, please drop me a line,
F#m **B7**
just write, Love, to tell me you're fine.
A **E**
Oh, Katie, if you can hear me,
F#m **B7**
I just can't wait to have you near me.
D
I can only think where are you,
E **F** **Dm** **A**
What ya do, maybe there's someone new.

[Verse 1]

A **Amaj7**
Standing on the water, casting your bread
Bm/A **E/A** **A**
While the eyes of the idol with the iron head are glowing
A **Amaj7**
Distant ships sailing into the mist
Bm/A **E/A** **A**
You were born with a snake in both of your fists while a hurricane was
blowing
Bm **E** **A**
Freedom just around the corner for you
Bm **E** **A** **D**
But with truth so far off, what good will it do.

[Chorus]

E **D**
Jokerman dance to the nightingale tune

Bird fly high by the light of the moon
C#m7 **D6** **E** **A**
Oh, oh, oh, Jokerman.

[Verse 2]

A **Amaj7**
So swiftly the sun sets in the sky
Bm/A **E/A** **A** **D/A**
You rise up and say goodbye to no one
A **Amaj7**
Fools rush in where angels fear to tread
Bm/A **E/A** **A**
Both of their futures, so full of dread, you don't show one
Bm **E** **A**
Shedding off one more layer of skin
Bm **E** **A** **D**
Keeping one step ahead of the persecutor within.

[Chorus]

[Verse 3]

A **Ammaj7**
You're a man of the mountain, you can walk on the clouds
Bm/A **E/A** **A** **D/A**
Manipulator of crowds, you're a dream twister

You're going to Sodom and Gomorrah

[Verse 4]

A Ammaj7
 Well, the Book of Leviticus and Deuteronomy
 Bm/A E/A A D/A
 The law of the jungle and the sea are your only teachers
 A Amaj7
 In the smoke of the twilight on a milk-white steed
 Bm/A E/A A
 Michelangelo indeed could've carved out your features
 Bm E A
 Resting in the fields, far from the turbulent space
 Bm E A D
 Half asleep near the stars with a small dog licking your face.

 Preacherman seeks the same, who'll get there first is uncertain

 Nightsticks and water cannons, tear gas, padlocks
 Bm/A E/A A
 Molotov cocktails and rocks behind every curtain
 Bm E A
 False-hearted judges dying in the webs that they spin

 Only a matter of time 'til the night comes stepping in.

A G6
Early one mornin' the sun was shinin',
A G6
I was layin' in bed
A G6
Wond'rin' if she'd changed at all
D
If her hair was still red.
A G6
Her folks they said our lives together
A G6
Sure was gonna be rough
A G6
They never did like Mama's homemade dress
D
Papa's bankbook wasn't big enough.
E F#m
And I was standin' on the side of the road
A D
Rain fallin' on my shoes
E F#m
Heading out for the East Coast
A D E
Lord knows I've paid some dues gettin' through,
G D A Asus A Asus
Tangled up in blue.

[Verse 2]

A G6
She was married when we first met
A G6
Soon to be divorced
A G6
I helped her out of a jam, I guess,
D
But I used a little too much force.
A G6
We drove that car as far as we could
A G6
Abandoned it out West
A G6
Split up on a dark sad night
D
Both agreeing it was best.
E F#m
She turned around to look at me
A D
As I was walkin' away

 I heard her say over my shoulder,

 I had a job in the great north woods
A **G6**
 Working as a cook for a spell
A **G6**
 But I never did like it all that much
D
 And one day the ax just fell.
A **G6**
 So I drifted down to New Orleans
A **G6**
 Where I happened to be employed
A **G6**
 Workin' for a while on a fishin' boat
D
 Right outside of Delacroix.
E **F#m**
 But all the while I was alone
A **D**
 The past was close behind,

 I seen a lot of women

 She was workin' in a topless place
A **G6**
 And I stopped in for a beer,
A **G6**
 I just kept lookin' at the side of her face
D
 In the spotlight so clear.
A **G6**
 And later on as the crowd thinned out
A **G6**
 I's just about to do the same,
A **G6**
 She was standing there in back of my chair
D
 Said to me, "Don't I know your name?"
E **F#m**
 I muttered somethin' underneath my breath,

 She studied the lines on my face.

 I must admit I felt a little uneasy

A G6

Then she opened up a book of poems

A G6

Written by an Italian poet

Don't know how it all got started,

Okay that's most of it, but there are some cool licks in the background in places, so here they are, all tabbed out at the bridge:

```
E-----|
A--7-----|
D-----|
G-----4-----|      Do this four times,
B-----5-----|      listen to the song for
E-----|      timing.
```

And also at the chorus:

```
E-----|
A--7-----7-----|      Also do this four times,
D-----5-----|      Listen to the album for
G-----5^4-----|      timing. Note that it is hard
B-----5-----|      to hear the first two notes.
E-----|      ^ means bend up.
```

I also promised the bass part, so here it is:

For the Verse:

```
E-0--3----|
A-----5---|
D-----|      x3
G-----|
```

The turnaround is the same, but backwards:

```
E---3--0-|
A-5-----|
D-----|
G-----|
```

For the bridge play the chord notes as quarter notes

For the chorus, play the same as the verse

Well, that was hard :). The boss rocks, keep playing and have fun.

[intro]

Am

[verse]

I'm stuck on the L.A. freeway got rain water in my boots

My thumb's done froze can't feel my toes I feel a little destitute

Wheels throwing water all over my axe and Mr. Jones won't lend me a hand

Up come two cats in a Cadillac and they say Won't you hop in, man?

I went flying high all the way all the way

[verse]

The one that's driving s'got a bowler hat the other's got a fez on his head

They turn around and grin and I grin back but not a word was said

So I took out my harp and I played 'em a tune I could see they were diggin' it

Then the one with the fez well he turns and he says we'd like to help you make your trip

I went flying high all the way all the way

[verse]

He said We can't leave him out in the rain he just might freeze and die

So why not put him on a plane and send him home in the sky?

So they took me to the L.A. airport laid twenty dollars in my hand

Well I paid my fare I'm in the air flying back home again

And I went flying high all the way

[outro]

Yes all the way all the way

And I went flying high all the way all the way

This is the first tab I submit after the death of the Duke, I just can't get over it but I really believe this is a good way to pay tribute to him. Station To Station is one of my favourite Bowie albums, and TVC15 is certainly one of the greatest tunes on it, so I thought it was a pity not to have a proper tab for it. There is a nice anecdote regarding this song... Legend has it that it was inspired by a completely stoned Iggy Pop who thought that Bowie's TV was going to swallow his girlfriend. This got the Duke to write a song about a holographic TV named TVC15.

Rate the tab with 5 stars for more Bowie anecdotes... and leave a comment if you wish. Enjoy the song!

 D **Em** **D**
To wrangle some screens from the door
 C **D/C** **C** **D/C**
And isn't it me, putting pain in a stranger?
 C **D** **Em**
Like a portrait in flesh, who trails on a leash
D **C** **D/C** **C** **D/C**
Will you see that I'm scared and I'm lonely?
 C **D** **Em**
So I'll break up my room, and yawn and I

Dm **Am** **G**

[Verse]

Dm **Am**
I'll make you a deal, like any other candidate
G
We'll pretend we're walking home 'cause your future's at stake
Dm **Am**
My set is amazing, it even smells like a street
G
There's a bar at the end where I can meet you and your friend
Dm **Am** **G**
Someone scrawled on the wall "I smell the blood of les tricoteuses"
Who wrote up scandals in other bars
Dm **Am**
I'm having so much fun with the poisonous people
G
Spreading rumours and lies and stories they made up
Dm **Am**
Some make you sing and some make you scream
G
One makes you wish that you've never been seen
Dm **Am**
But there's a shop on the corner that's selling paper mache
G
Making bulletproof faces, Charlie Manson, Cassius Clay
Dm **Am** **G**
If you want it, boys, get it here, thing
Dm **Am**
So you scream out of line "I want you! I need you!"
G
Anyone out there? Any time?"
Dm **Am**
Tres butch little number whines "Hey dirty, I want you
G
When it's good, it's really good, and when it's bad I go to pieces"
Dm **Am** **G**
If you want it, boys, get it here, thing
Dm **Am**
Well, on the street where you live I could not hold up my head
G
For I put all I have in another bed
Dm **Am**
On another floor, in the back of a car
G
In the cellar like a church with the door ajar

Tennisbolden

Drengene fra Angora

Tilføjet: 15.07.2026

[Verse 1]

C **Am**
Stanley, Spencer og jeg
Dm **G**
vi har en fast tradition hver tirsdag eftermiddag
C **Am** **Dm**
Vi spiller tennis - det er mig mod dem
G
og det' en gentlemansport
C **Am**
Men sidste gang da vi spillede,
Dm **G**
var der problemer
C **Am** **Dm** **G**
Lige da jeg skulle serve skete det der ikke må ske
for
F **G**
Jeg skød så hårdt til bolden
F **G**
At jeg mistede kontrollen - med min serv.

[Chorus]

C **Am** **Dm** **G**
Så Tennisbolden - den sad lige i kuglerne på
stakkels Spencer.
C **Am**
Det er da ganske okay, det skal du da ik' tænke på
Dm **G** **C**
En bold lige i kuglerne er hændeligt uheld, min ven
C **Am** **Dm** **G**
Ja, tennisbolden - den sad lig' i kuglerne, det kan
være farligt
C **Am**
Nej det er ikke så galt, det gør skam slet ikke nas
Dm **G** **C**
Jeg tar' lige en pause, så kan I spille videre
imens

[Verse]

C **Am**
Nu var det Stanley og mig
Dm **G**
jeg sku' serve igen, og havde nerver på
C **Am**
Stanley vinked' til mig og råbte:
Dm **G**
Hovsa min ven, jeg syns du virker nervøs
C **Am** **Dm** **G**
Jeg er jo bange for at - ram' dine kugler
C **Am**
Men Stanley var virkelig fin, han sagde:
Dm **G**
Tænk ik' på mig, men fokusér på din serv
F **G**
Jeg er en dygtig server
F **G**
Men jeg har svage nerver.....nerver.

[Chorus]

C **Am** **G**
Så Tennisbolden - den sad lige i kuglerne på
stakkels Stanley
C **Am**
det skal du da ik' bryd' dig om - det har jeg skam
tit prøvet før
Dm **C**
en bold i mit skridt - er ikke noget at ligge
søvnløs over
C **Am** **G**
Men tennisbolden - den sad lige i kuglerne man kan
blive steril...
C **Am**
"Nej bare rolig min ven - jeg har det snart godt
igen
Dm **G** **C**
lidt koldt på de klunker så er jeg klar på banen
igen."
(Spencer):

[Bridge]

C **Am**
"Ja nu har jeg osse fået kølet mine klodser
Dm **G**
og er fit for fight igen så skal vi spille
allesammen?"
(Stanley):
G **C**
"Ja det syn's jeg vi skal"
C **Am**
Jeg sigted' og sigted'
Dm **G**
Men heldet det svigted'
C **Am** **Dm**
så bolden først fløj hen og ramte Spencers klunker
G **C**
og så over på Stanleys ja jaa.....

[Chorus]

C **Am** **Dm** **G**
Tennisbolden - den sad lige i dadlerne på Stanley
og Spencer
C **Am**
"Jamen det gør ikke noget - hør nu det har vi jo
sagt
Dm **G**
en bold lige i dadlerne - er en del af livet for
os"
C **Am** **Dm** **G**
Men tennisbolden - den sad lige i druerne og det
var jo min skyld
C **Am**
"Nej det syn's vi nu ik - vi syn's det var force
majeur
Dm **G**
en bold lige i druerne kan stort set aldrig
tilskrives nogen"

C **Am** **Dm** **G**
 Tennisbolden - den sad lig' i blommerne på Spencer
 og Stanley
C **Am**
 "Det er intet problem - tænk nu ikke på os
Dm
G **C**
 Det er såmænd hvad der kan ske, når man går til den
 i sport"

Am **Dm** **G**
 Men tennisbolden - den sad lig' i sveskerne og det
 var jo min skyld
C **Am**
 "Nej, det synes vi nu ik' - det var da mest vores
 skyld
Dm **G**
C
 Vi stod jo i vejen for din ellers meget vellykket'
 serv"

Im Not Dead Im In Pittsburgh

Frank Black

Tilføjet: 13.06.2026

[Verse 1]

I don't want you to worry, I'm okay
Just didn't want you seeing me this way
We tried to talk about it but we didn't understand
We never really talked much anyway
I finally found a place to call my own
A place where all good sinners can get stoned
I'll keep my holy vision, you keep your stupid pride
You said I couldn't make it on my own

[Chorus]

But I'm not dead (I'm in Pittsburgh)
And now I can't get out of town
But I'm not dead (I'm in Pittsburgh)
They've got me all strung up, come cut me down

[Bridge]

Like the weeds in all the cracks
All my memories come back
Like some Alleghenny smack in the face

[Verse 2]

It's all just one big monkey house to me
Just living ain't the same as being free
Don't stop and think about it, It'll only make you sad
Come put me out of my misery

[Chorus]

'Cause I'm not dead (I'm in Pittsburgh)
Where a man can lose his mind
I'm not dead (I'm in Pittsburgh)

Deamon Girl

Frank Black

Intro & bridge: **C# A**

Verses: **E A F# A**

I had a garage full of 66 guitars
Each night I'd play them underneath the starry stars
There was much dancing and so many to call friends
I never thought, I never thought, I never thought that it would end.
But then one morning I saw one of them was gone
just 65 guitars to play my happy songs
then 64 then several more till 17
I didn't know a demon stole them when I dreamed
A Demon Girl
A Demon Girl
Demon Girl
The parties ended, as my songs grew very dark
The guitars stolen rained a tear down on my spark
I blamed my druggie pals, but suspects they increase
I blamed my plumber, and I even blamed my priest
Demon Girl
Thai Chung, my gardener, said, "Stay awake this night
Hide in the trashcan, cause there's something just ain't right"
And then I saw her, she was from another world
A demon girl, so beautiful, a demon girl, a demon
A Demon Girl
A Demon Girl
She's a Demon Girl
I said, "Please marry me, and bring back my guitars"
She said, "I will, but first, talk to my devil Pa"
And after dinner he said, "Promise me this night
You'll never let this demon girl out of your sight"
We had a happy home, and parties that were wild
Had our own tv show, and we even had a child
But then one morning I took up my fishing pole
And when I got back, she had moved to Idaho
She was a Demon Girl
A Demon Girl
A Demon Girl
She was a Demon Girl
A Demon Girl

If I was many miles from here,
I'd be sailing in an open boat on the sea
Instead I'm on this window ledge,
With the whole world below
Up at the window
Look at the window ...

We can help you
We're all your friends, if you come on down

Getting weaker;
Forwards, backwards, swaying side to side
Fearing the very worst
They called his mother to the site

Up on the ledge beside him
His mother made a last request.
Come off the ledge, if your father were alive
He'd be very, very, very upset.

Capo III *

Am C G

Am C G

Lather was thirty years old today,

they took away all of his toys.

His mother sent newspaper clippings to him,

about his old friends who'd stopped being boys.

There was Harwitz E. Green, just turned thirty three,

his leather chair waits at the bank.

And Sargent Dow Jones, twenty seven years old,

commanding his very own tank.

But Lather still finds it a nice thing to do,

to lie about nude in the sand

Drawing pictures of mountains that look like bumps,

and thrashing the air with his hands.

But wait, oh Lather's productive you know,

he produces the finest of sound

Putting drumsticks on either side of his nose,

A G A Am G D Am
G D

snorting the best licks in town;

but that's all over

Am G D Am G D

Lather was thirty years old today,

and Lather came foam from his tongue.

He looked at me eyes wide and plainly said,

is it true that I'm no longer young? (mommy?)

And the children call him famous,

what the old men call insane

And sometimes he's so nameless,

that he hardly knows which game to play;

which words to say

And I should have told him, "no, you're not old."

And I should have let him go on, smiling,

baby wide.

[Verse 1]

Det var gloende varmt, himlen var blå
I Rebild bakker var gryden i kog

[Chorus]

Tak for hvad i tog og tak for hvad vi fik
Onkel Sams beskidte tær fik slik efter slik
For USA havde fødselsdag den dag
USA havde fødselsdag den dag

[Verse 2]

Lille købmand Emborg sprang op og slikkede
for
han havde nemlig gået og glædet sig et år
USAs ambassadør John G. Dean
Slikkede, og sagde at tærne var clean
Danmark store dronning var hele festens pryd
men da hun skulle slikke ku man ikke høre en lyd
Sjove Ulrik Ravnbøl var betalt for at slikke
og dem der sku betale beklagede sig ikke
militær, studenterkor og glade Papa Bue
slikkede hele scenen ren før festens store clou
Den allerstørste slikker på denne store dag
det var Victor Borge han savlede af behag

[Chorus]

Tak for hvad i tog og tak for hvad vi fik
Onkel Sams beskidte tær fik slik efter slik
For USA havde fødselsdag den dag
USA havde fødselsdag den dag

[Verse 2]

Det var gloende varmt, himlen var blå
Så lød der nogle råb, festen gik i stå

[Chorus]

Vi skal hilse jer fra nogle de ku ikke komme selv
Indianerne og vietcong og de andre i slog ihjel
For USA havde fødselsdag den dag
Og USA har blod på sit flag

[Verse 3]

Det var den slags hilsner man ikke ku li
Men man var forberedt der var meget poilite
Een der bragte hilsner fra Cambodia
Fik hurtigt lukket kæften med vrede knippelslag
Fyrre indianere på smukke hesterygge
fik tæsk af politiet for at ønske dem tillykke

[Verse 4]

At sige den slags højt er den rene terrorisme
fra lede narkomaner og deres kommunisme
Folk blev meget vrede på den glade dag
og råbte helt afsindigt: "Hæng dem i et træ"
Frihedsgudindens tårer har slukket faklens blus
Vi husker hvad i glemmer i jeres frihedsrus

[Chorus]

Vi skal hilse jer fra nogle de ku ikke komme selv
Indianerne og vietcong og de andre i slog ihjel

Når hans mor stod ud på søen

Hun skreg af fryd når hun så blod

Jeg' den skrappeste pirast af os

Næ, for du turd' aldrig slås
og få revet din fine kjole
Nej, for jeg turd' aldrig slås

Grillbaren

Røde Mor

Tilføjet: 28.06.2026

[Verse 1]

Grillbaren lukker nu
og neonlyserne går ud
bag disken standser hun
og tørrer med sin klud
Hun tæller kassen op -- papir, papir
hun lægger mønt på mønt
og tier på tier
-- Grillbaren lukker nu

[Verse 2]

Hun samler glas og krus
og jeg kan se at hun er træt
Nu er det slut med pølser, chips og mos
slut med dagens ret
Men hun kan ikke rigtig komme afsted
jeg tror hun drømmer at min lastbil
tar hende med
-- Grillbaren lukker nu

[Verse 3]

Ja - hun føler vibrationerne
af læder, lak og krom
Måske hun mærker eksplosionerne
- Nu gløder hvert atom

Gm

Kom, vi rider væk i mit bur af blik og glas
Se - himlen fyldes
af benzin og gas
- Grillbaren lukker nu

[Verse 4]

Ja her ved bredden af
kulturens blanke strøm
Her blir man tit bedøvet af
en hed og mærkelig drøm
Man drømmer man lever, man drømmer man ler
drømmer at man elsker drømmer at man ser
- Grillbaren lukker nu

[Verse 4]

Her sidder jeg og der står hun
og se, mit bord det råber: kom
kom ryd mig, rør mig nu
Men nej - hendes blik er tomt
Hun ser forbi mig og drømmer kun fordi
hun hører de bløde sus af biler
som kører forbi
- Grillbaren lukker nu
"Langs landevejene, den moderne kulturs nervebaner,
ligger cafeterierne. I en af disse det 20.
århundredes oaser finder et kort, uforløst med sted
mellem en lastbilchauffør og barens servitrice."

Engel i min seng

Souvenirs

Tilføjet: 28.06.2026

[Verse 1]

Hele ugen har jeg følt mig skidt til mode
Jeg har taget Echinaforce og Panodil
Der er for meget roderi i mit hoved
Alt i alt så er min tilstand ustabil

[Chorus]

Gid der kom et Rumskib
og landede på min altan
Gid at jeg skulle reddes
mund til mund
på et flyvende lagen
ja bare der kom en engel
med lyst hår og gylden hud
Gid der kom en rummand til min seng
En helt igennem underskøn dreng
en Buddha som kan noget Kama Sutra
Ja bare der lå en engel i min seng
en engel i min seng

[Verse 2]

Jeg har vendt og drejet alting meget længe
jeg har også talt alvorligt med min mor
andre ligger sammen med nogen i deres senge
hvorfor er jeg så alene her på jord
Tænk hvis jeg hørte vingesus
og der pludselig var et mandfolk i mit hus
Ja, gid der lå en engel i min seng

These chords work great with me. I normally pick them like it's done in the song but you could strum them too, I guess.

*Capo on 2nd fret to match the Beatles' recording.

Yesterday

The Beatles

Toneart: F · Tilføjet: 14.07.2026

Chords in the original key of F. McCartney plays it in G but uses a guitar that is tuned down one full step (D-G-C-F-A-d), that's why the song sounds in the key of F. Transposed +2 to G (the way McCartney played it in the studio and plays it live until today) the song is much easier to play.

[Verse 1]

"Show me, show me, show me how you do that trick

The one that makes me scream" she said

"The one that makes me laugh" she said

And threw her arms around my neck

"Show me how you do it

And I promise you, I promise that

I'll run away with you

I'll run away with you"

[Verse 2]

Spinning on that dizzy edge

I kissed her face and kissed her head

And dreamed of all the different ways

I had to make her glow

"Why are you so far away?" she said

"Why won't you ever know that I'm in love with you

That I'm in love with you"

[Chorus]

F#m

You

Soft and only

F#m

You

Lost and lonely

Dancing in the deepest oceans

Twisting in the water

You're just like a dream

You're just like a dream

[Verse 3]

Daylight licked me into shape

I must have been asleep for days

And moving lips to breathe her name

I opened up my eyes

And found myself alone, alone

Alone above a raging sea

That stole the only girl I loved

And drowned her deep inside of me

[Chorus]

You

Soft and only

Lost and lonely

Strange Powers

The Magnetic Fields

Tilføjet: 13.06.2026

On the ferris wheel looking out on Coney Island
Under more stars than there are prostitutes in Thailand
Our hair in the air, our lips blue from cotton candy
When we kiss it feels like a flying saucer landing
And I can't sleep 'cause you've got strange powers
You're in my dreams Strange powers.
In Las Vegas where the electric bills are staggering
The decor hog wild and the entertainment saccharin
What a golden age, what a time of right and reason
The consumer's king and unhappiness is treason
And I can't sleep 'cause you've got strange powers
You're in my dreams Strange powers.
The sun pours down like honey The moon runs down like mercury
The stars fall down like money You come back to me
And I can't sleep 'cause you've got strange powers
You're in my dreams Strange powers.

Lucky Ball And Chain

Tilføjet: 13.06.2026

Artist: They Might Be Giants

Song: Lucky Ball and Chain

Album: Flood

[Verse 1]

G **Em**
I lost my lucky ball & chain
C **D**
And now she's four years gone
G **Em**
Just five feet tall and sick of me
C **D** **G**
And all my rattling on
G **Em**
She threw away her baby-doll
C **D**
I held on to my pride
G **Em**
But I was young and foolish then
C **D** **G**
I feel old and foolish now
D6

[Chorus]

C **G**
Confidentially, she never called me baby-doll
C **G**
Confidentially, I never had much pride
C **G**
But now I rock a bar stool and I drink for
two
D **C** **D** N.C.
Just pondering this time bomb in my mind

[Verse 2]

G **Em**
I lost my lucky ball & chain
C **D**
And now she's four years gone
G **Em**
Just five feet tall and sick of me
C **D** **G**
And all my rattling on
G **Em**
She walked away from a happy man
C **D**
I thought I was so cool
G **Em**
I just stood there whistling
C **D**
G **Em**
"There goes the bride" as she walked out the
door

C **D** **G**
There goes the bride as she walked out the
door

[Bridge]

(Noise)

[Verse 3]

G **Em**
I could shake my tiny fist
C **D**
And swear I wasn't wrong
G **Em**
But what's the sense in arguing
C **D** **G**
When you're all alone?
G **Em**
Sure as you can't steer a train
C **D**
You can't change your fate
G **Em**
And when she told me off that day
C **D** **G**
I knew I'd lost my home
D6

[Chorus]

C **G**
Confidentially, I never told you of her
charms
C **G**
Confidentially, we never had a home
C **G**
But this railroad apartment was the perfect
place
D **C** **D** N.C.
When she'd sit and hold me in her arms

[Verse 4]

G **Em**
I lost my lucky ball & chain
C **D**
And now she's four years gone
G **Em**
Just five feet tall and sick of me
C **D** **G**
And all my rattling on

something waiting there beneath the sand:

heard enough of the sea

so listen not to the sound of the things that are found underground

something waiting there beneath the sand:
My metal detector is with me all of the time
I'm the inspector over the mine

Album: Lincoln

Capo 2nd Fret

A(b9) x02320

[Chorus]

I built a little empire out of some crazy garbage
called the blood of the exploited working class
but they've overcome their shyness. now they're calling me 'your Highness'
and a world screams: Kiss me, Son of God

[Verse]

I destroyed the bond of friendship and respect
between the only people left who'd even look me in the eye
now I laugh and make a fortune off the same ones that I tortured
and a world screams: Kiss me, Son of God

[Bridge]

I look like Jesus, so they say
but Mr Jesus is very far away
now you're the only one here who can tell me if it's true
that you love me and I love me

[Chorus]

I built a little empire out of some crazy garbage
called the blood of the exploited working class
but they've overcome their shyness. now they're calling me 'your Highness'
and a world screams: Kiss me, Son of God
yes the world screams: Kiss me, Son of God

[Verse 1]

E E A B
You called me last night on the telephone, and
E E A B
I was glad to hear from you 'cause I was all alone, you said "It's
E E A B
snowing, it's snowing! God, I hate this weather."
E E A B E E
Now I walk through blizzards just to get us back together

[Verse 2]

E E A B
We met in the springtime at a rock-and-roll show
E E A B
It was on the Bowery when it was time to go
E E A B
We kissed on the subway in the middle of the night
E E A B E
I held your hand, you held mine, it was the best night of my life.

[Chorus]

E B A B
'Cause everyone's your friend in New York City
E C#m A B
And everything looks beautiful when you're young and pretty
A B E A
The streets are paved with diamonds and there's just so much to see
A B E
But the best thing about New York City is... you and me
E A B

[Verse 3]

E E A B
Statue of Liberty, Staten Island Ferry, Co-op City, Katz's and Tiffany's
E E A B
Central Park, Brooklyn Bridge, The Empire State where Dylan lived
E E A
Coney Island and Times Square, Rockefeller Center
B E
Wish I was there

[Verse 4]

E E A B
You wrote me a letter just the other day
E E A B
Said, "Springtime is coming soon so why don't you come to stay."
E E A B
I packed my stuff, got on the bus, I can't believe it's true
E E A B E
I'm three days from New York City and I'm three days from you
Chorus

Poor Edward by Tom Waits

Transcribed by Johan Jeppsson

Standard tuning

Capo on 1st fret

Tom sings this ridiculously low. If you want to transpose it, you could use this table:

Em -> **Am**

B7 -> **E7**

Am -> **Dm**

E -> **A**

Em **B7**
Did you hear the news about Edward?

Em **Am**
On the back of his head

B7 **Em**
he had another face

E **Am**
Was it a woman's face

B7
or a young girl?

Em **Am**
They said to remove it would kill him

B7
So poor Edward was doomed
Em **Am**
That face could laugh and cry

B7 **Em**
It was his devil twin

E **Am**
At night she spoke to him

B7
Things heard only in hell

Em **Am**
They were impossible to separate

B7
Chained together for life

Em **Am**
Finally the bell tolled his doom

B7 **Em**
He took a suite of rooms

E **Am**
And hung himself and her

B7
from the balcony irons

Em **Am**
Some still believe he was freed from her

B7
But I knew her too well

Em **Am**
I say she drove him to suicide

B7
And took poor Edward to hell

(It's nice to dissolve the dominant (**B7**) with the tonic (**Em**) here at the end)

Strange Weather

[Intro]

Am E Am E

[Verse 1]

Will you take me across the channel
London Bridge is falling down
Strange a woman tries to save
More than a man will try to drown
And it's the rain that they predicted
It's the forecast every time
The rose has died because you picked it
I believe that brandy's mine

[Chorus]

And all over the world
Strangers talk only about the weather
All over the world
It's the same
It's the same

[Verse 2]

And the world is getting flatter
And the sky is falling all around
Oh and nothing is the matter
For I'll never cry in town
And a love like ours my dear

Is best measured when it's down
And I never buy umbrellas
Cause there's always one around

[Chorus]

And all over the world
Strangers talk only about the weather
All over the world
It's the same
It's the same

[Bridge]

And you know that it's beginning
And you know that it's the end
Once again we are strangers
As the fog goes rolling in

[Chorus]

And all over the world
Strangers talk only about the weather
All over the world
It's the same
It's the same
It's the same!

Fru Orlofski

Troels Trier

Tilføjet: 13.06.2026

[Verse 1]

Når dagen er forbi og natten falder på
så høres fru Orlofsky i gården gå
Med plasticposer røde, gule, grønne, blå
går hun forbi og letter skraldespandens låg
Hun går ud, når andre går i seng
Hvor skal hun hen - hvor skal hun hen
Gårdens sorte dame går igen
fru Orlofsky søger sig en ven

[Verse 2]

I gadelygtens lys går hun afsted
hvor skal hun hen - jeg følger med
Den gamle slidte frakke og det grå og
tjavsede hår
bevæger sig i vinden mens hun går
Det 20. århundrede er væk
Fru Orlofsky er en fremmed fugl på træk
I skæret af lygten som lyser hvid
går hun over broen mod en anden tid

[Verse 3]

Hun standser over trappen ved søens bred
og åbner for poserne som hun har med
Og hendes silhouet mod nathimlens skær
forandres pludselig mens jeg ser hende der
Det gamle tøj er væk og håret det får krus
søens bred forvandles til et oplyst hus
På trappen kommer gæster som bukker dybt
for fru Orlofski som i hvide mink er svøbt

[Verse 4]

Men fru Orlofski vandrer hvileføst omkring
de andre taler, men hun siger ingenting
Hun lytter kun til natten og den tavse sne
og jeg kan se, hun venter på at noget skal
ske
Pludselig høres bjælder i den klare nat
Fru Orlofski smiler og hun vågner brat
Hun løber ned ad trappen, mens en kane
svinger ind
Fyrst Igors kappe fyldes af den kolde vind

[Verse 5]

Fyrst Igors hænder løsner køreposens bånd
fru Orlofski skælver mens han kysser hendes
hånd
Hun skælver og hun rødmer, da han tager
hendes arm
hun ler forlegent, da de strejfer dørens karm
Champagnen perler i det blinkende krystal
de to de åbner aftenens bal
Sneens hvide måne synger deres melodi
nu vil de danse indtil natten er forbi

[Verse 6]

Ja, klasser hersker og klasser skyldes væk
Fru Orlofski er en fremmed fugl på træk
Det sted, hvor fru Orlofski drømmer sig hen
det vil hun aldrig, aldrig mere se igen
Men der ved søen en stjerneklar nat
der ser jeg en dame som danser med en kat

Den danser med hende, når den har smagt
